

Crash and Burn

Words

1. May-be, just may-be you've lived a lie. Looks like yo' at-ter
 2. May-be, just may-be it's not e-nough. You've got mis-sing

how you try. So sor-ry my frir na say it a-gain:
 the right stuff. You know that I al-ly hard to let go.

Me' you've been de-cieved. I
 God calls your name. If

know yo' ou to now be-lieve. The an-swer is clear,
 you're the one to blame. I don't mean to chide,

then why don't you hear? When you crash, when you burn,
 -ly let go of your pride.

when you fail and when you fin-'ly fal-ter, then will you cry

out, cry out to Je-sus who would be your Sav-iour?
